

At GGC you will find an environment where you can explore who Jesus Christ is and grow in your relationship with Him.

New With Us?

We are on a journey and we don't have it all figured out. This is a place where you can be yourself.

Our worship environment is relevant to real life. The messages are relevant, engaging and down to earth.

Come as you are. Dress comfortably and you'll fit right in. At the same time, we fully recognize the awe and reverence of worshipping the majestic, eternal and holy God.

OUR VISION

To glorify God as a cell-based church, passionately multiplying disciples locally and worldwide.
